LUXURY CRUISES & TOURS

Jewels of Europe

Special Group Sailing in 2022

A region steeped in the history of ancient trade routes, today the rivers of the Rhine, Main and Danube meander through forested hillsides and romantic towns.

Restored castles still stand watch from their position atop dramatic hilltops. However, today the sites of ancient battles and medieval skirmishes have been replaced by a tranquil countryside with thriving towns and villages. This is a journey that will take you through the Europe of your imagination, while creating memories that will last a lifetime.
